

Make Your Own Puzzle !

Materials:

- Paper
- Colored pencils, markers or crayons
- Scissors
- A friend to help and switch puzzles with!

Directions:

1. Print out the grid above or draw your own on a piece of paper-more boxes make for a more difficult puzzle; less boxes make for an easier puzzle!
2. Draw a picture over the boxes and color it in-The more colorful the better!
3. Cut along the gridlines or ask for help to cut out your puzzle
4. Switch with a friend and see if you can put each other's puzzles together again!
